Ukraine · Remote

SUMMARY

Motion design team lead with 7+ years in performance marketing. I lead a team of 6+ motion designers on Reluvia that ships 280 creatives a week, set creative direction for UA ads and build AI tools and my own After Effects scripts into the production pipeline. I work with analysts on CTR, CR and ROI to turn test results into the next round of creatives. Background in product apps, iGaming, luxury brand SMM and 3D.

EXPERIENCE

Team Lead, Motion Design · Reluvia

Jul 2025 — present

Emotional-support app with an AI companion (iOS, Android)

- Lead a team of 6+ motion designers delivering 280 creatives a week: briefs, creative reviews and feedback, planning and deadlines.
- Set creative direction for UA ads on Meta and TikTok with marketing and analysts; scale winning concepts into variations.
- Built the production pipeline: reusable templates, visual systems and After Effects scripts for naming, emoji and subtitles.
- Brought AI tools (Higgsfield, Midjourney, Runway, Veo 3, ElevenLabs) into the team's daily workflow.

Motion Designer · Appflame (Taimi)

Jul 2024 — Jul 2025

Product company behind Taimi, an LGBTQIA+ dating app with millions of users

- UA creatives for Meta and TikTok: UGC edits, app UI animation, AI visuals and 3D.
- Fast variations for creative testing; iterated on high-performing concepts with analysts.
- Reusable templates and ExtendScript / expression tools that sped up production.

Motion Designer · Traffic Devils

Oct 2022 — Oct 2024

One of the largest media buying teams in Ukraine, 400+ people

- High-volume motion and static creatives for iGaming and apps on Meta, Google and TikTok, for India, Turkey and Brazil.
- Localization, gameplay and character animation, 3D.
- Used AI in production: Midjourney, ChatGPT, Rask, ElevenLabs.

Motion Designer · Red&White

2020 — 2022

Agency for luxury and tech brands

- Social motion for BVLGARI, Montblanc, Gazer and Pleso: product hero shots, typography and UI animation.
- Took part in developing advertising concepts.

Freelance Motion & 3D Designer

2018 — 2020

- Ad creatives and animation for apps and online courses; 3D modeling, texturing and rendering.
